Please complete this evaluation before your presentation date with the curriculum committee. We ask that you use the checklist on the reverse side to let us know where you are in your curriculum updating and your departmental methods for analyzing and evaluating the contents of course and degree/certificate offerings. Let us know what methods you use to maintain the integrity of academic standards and achieve consistency within the instructional program?

Also, please use CurricuNet to review all courses taught in your department and any certificates or degrees offered. Use the dates for the Active courses (red) to check the date of last up date.  
(please use additional pages in necessary)
