# Interested in Transferring to UC Berkeley?

## STARTING POINT MENTORSHIP Spring 2012

### [Starting Point Mentorship Program](#)

SPMP provides current California Community College students with UC Berkeley student mentors who are enrolled in the STARTING POINT MENTORSHIP course. The program is designed to encourage under-served students and welcomes all students to explore their academic potential and prepare for transfer to UC Berkeley. Mentors provide mentees with information, motivation and access to campus resources. Mentors communicate regularly throughout the semester and discuss goals, services, opportunities, and resources.
